

Thoughts from the Chairman

For everything there is a season and a time for every matter under the heaven"

Summertime - a time for rest, recreation and relaxation. A time to shift gears from the intense, productive winter months to the lazy, hazy, crazy days of summer. For many of us, school will be out while Sunday School classes and Bible Studies take a break until Fall. If God determined that His planet needed several months of summer, then doesn't it make sense that His people are equally in need of rest? Have you planned a summer vacation with your family? Will you take the time to reconnect with your spouse, children and loved ones? Or will you add more projects to your ambitious to-do list, postponing this God-given time for some leisure in your life? Just last week I was talking with a young adult who lamented that his family had rarely, if ever, taken a genuine family vacation. It seems there just wasn't the time or the money. How sad! Vacations don't have to be costly. Last summer my husband, John, and I purchased a used pop-up camper that provided us an inexpensive way to reconnect with one another, spending quality time together at different state parks as we enjoyed God's creation. There's nothing quite like Quiet Time on a chaise lounge beside a campfire, listening to the birds, watching the squirrels play and the sun rise. As we reflect upon the upcoming Summer and our priorities, may we all remember that our family and loved ones are always more important than projects and that by staying in God's Word and on our knees daily, He'll help us maintain the proper balance of rest, refreshment and responsibility. *Enjoy your summer!*

Kitchen Needs

We have identified some items that would make the weekend run smoother in the kitchen. Those items are a four Slice toaster with bagel capacity and an electric food processor for slicing carrots, etc. Please contact Anna Huber at 438-0760 if you or your share group can help. Thanks.

Need a Speaker for your Church Group?

Would you like your Church members to learn more about the Walk to Emmaus? Does your Sunday School Class men's or women's group ever use guest speakers? The Outreach Committee has speakers, complete with professional videotape, who would enjoy the opportunity. To schedule a speaker call Sherri Raderstorf at 294-0552

LD Thoughts from Women's Walk #46

When God called this team together, we knew that we were going to have a Powerful walk and it was. We were blessed to see many Pilgrims come closer to our Lord and Savior. There were many miracles that took place and very special prayer times and anointing. I wished I could share the love that took place and the special agape given to the Pilgrims from the team and the other Pilgrims, but Confidentiality refrains me from doing so. Nonetheless, this was a VERY special weekend for the Pilgrims, the team, and myself.

We all CAME to know our LORD in a deeper more intimate way. The LORD was present in EVERY area. One of the greatest Gifts of agape I have personally ever received was the closing...where the Pilgrims spoke not about the bell, the food, the poster parties, etc...BUT, the LORD. I came away filled to overflowing that my prayer for the team and myself was answered..."Lord, that we may DECREASE that YOU may increase"...We did and He did. Praise God!
